DALLAS DISTRICT NOTES.

By R. S. Jenkins, P. E.
Sunday was the high day for African Methodists out at White Rock, St. Paul A. M. E. Church, the mother church of all North Texas, was filled with devout worshippers. It was quarterly meeting day; the presiding elder preached in the morning and night services. The collection was good. The presiding elder's assessment was raised in "full and over," with \$26.00, Dollar Money. It was out at White Rock, where the first African Methodist church edifice was erected, under the pastorate of the late Rev. J. C. Aikens, supported by such splendid members as Bro. Tom Hawkins, Robert Patton, Andrew Jamison, Clayton Miller and Sisters Adline Jackson, Marie Layne, Melissia Davis, Carrie Davis, Mary Smith; Bro. Taylor Turner, Lewis Cockrell, Levi Young, supported also by Mr. Moses Jackson and Mr. Giles Armstrong. The last two named gentlemen were not members but strong followers of the African Methodist Episcopal church. Mr. Giles Armstrong was the father of Dr. S. W. Armstrong, a great disciple of Esculapiana. Mrs. Armstrong, the wife of Dr. Armstrong with the ladies of St. Paul has beautified the interior of church and paid all indebtedness. St. Paul A. M. E. Church White Rock, has now a membership of 108, and a great host of young people. Rev. G. G. H. Glasgow has excelled a pastor for a great revival and his good wife are tireless workers and well deserved the praise for a great year's work with the necessary organization of the church membership and real activity of the leaders and entire membership. The people are moral and intelligent and it is a source of pleasure to visit this great community.

Nolan H. B. Elliott, P. E.
District President, Allen Christian Endeavor League.

Sunday, Sept. 19, 1921.—St. Paul, Dallas, we launched the drive for new members in the leagues of this District. At the morning service, the Rev. Johnson, the splendid pastor of this church, gave us the opportunity of speaking to the congregation in the interest of the league work. Our appeal to every member to answer to the "Call of Duty" was rewarded by a large attendance at the league meeting at the evening. The league is well organized at this church, and the Junior choir pledged its support to the league. The Junior choir was out en-masse and rendered music for the meeting. This choir, it is said, is the infancy, under the efficient management of Miss P. P. By, bids fair to soon rival that famous Junior choir of Allen Chapel, Fort Worth. The pastor, the officers and members of the league stated that they would make the league at

their church, second to none in the state. Watch St. Paul grow.

The chief aim of this campaign is to increase the membership of the leagues, to the number corresponding with the number of Sunday School scholars reported in the convention of their respective churches. The drive will close on the last Sunday in the year and the league farthest exceeding its quota will be rewarded a prize.

So with the battle cry: Dallas District expects every man and woman to do his and her duty. Let us go over the "top."

Sunday, Sept. 25, 1921, we will be at Dalworth, at 7:30 p. m. We will speak upon the subject: "Wanted Young Men and Women."

Okmulgee, Sept. 22.—City schools will open Monday. All the city teachers have arrived Principal Fort announces all things in readiness. The city is rushing to complete the concrete sidewalk which will make it possible for the school pupils to reach the school buildings without bogging through the mud during the rainy season. Rev. Roquemore and other delegates who attended the National Baptist Convention at New Orleans, were tendered a banquet at Macedonia church Saturday evening. Rev. V. McPherson, pastor of M. Olive Presbyterian church and Judge D. J. Wallace departed Tuesday for Valliant, where they will attend the meeting of the Presbyterian church. This being the first anniversary of the club, an appropriate program was rendered at the home of Mrs. I. B. Tansy, 213 E. Trent, after which a banquet was tendered its members and friends. This club is doing much to relieve the distressed of our group. The boys and girls agriculture club (Col.) of this county scored another successful victory in the county fair exhibit last week. Over forty jars of fruit from the girls club also the art work attracted considerable attention and comment. The canning work by this club brought fourth special praise by hundreds who viewed it.

As a whole, the exhibit of the boys and girls club scored a great percentage than that of any other group. John James of Northwest received first prize for corn. His exhibit was said by the judges to be the best in the county. Okmulgee county is fortunate in having two proficient agents among our group who are putting real "zip" in the County Demonstrator. Mann and Home Demonstrator, Miss Maude Smith are to be congratulated on the splendid showing the boys and girls club work is making. The big scout rally at the Nash Park Saturday night was a big event of the season. Mr. Nash, 1st Lieutenant, organized the scouts. The drill was one of the interesting features of the evening. The officers are as follows: J. W. Nash, Major Dirley 1st Lieutenants, M. C. Neal, 2nd Lieutenants and Secretary. After the drill watermelon, cream etc. were served. Services at all the city churches well attended. Dr. S. S. Jones, pastor of the Baptist church was here Saturday and Sunday, mingling among friends.

Mrs. L. S. Gibson and sons, Paul and Jewel entertained a number of friends at their home on E. 3rd St., Thursday, from 1:30 to 3:00 o'clock at 3:30 p. m., they departed for Lincoln University in Pennsylvania, where they went to enter that famous university. A host of friends accompanied them as far as the depot. They have a host of friends here. Thomas Harrison, one of Okmulgee's foremost contractors is suffering from an injury which happened Saturday. It is reported he may lose one hand. William Foster, a veteran of the world war who was gassed while on the firing line returned Monday morning from the government hospital at Houston, Texas, where he spent several months.

Prof. E. D. Pierson,
Antioch Baptist Church,
Houston, Texas.
Dear Sir:

Circumstances over which I have no control, concerning the living, prevent my presence at the funeral of Rev. F. L. Lights who has fallen asleep in Christ. God bless his fatherless and motherless children. They have lost a provident father, Antioch Church a faithful pastor, the Old Land Mark Association a splendid treasurer, The Foreign Mission Convention of Texas, a great president and leader. The National Baptist Convention Financial Committee a financier, Houston and the world a good citizen. A sure enough man is dead. Peace be to his ashes.

PHILADELPHIA PLANS MAMMOTH FAIR OCTOBER 18-27.
Philadelphia, Sept. 22.—The Philadelphia Autumn Fair Association, embracing in its membership most of the leading Colored men and women of this city, perceiving the need of not only acquainting the Caucasian with the history, industrial, commercial and progress of the Negro and his advance in the Arts and Sciences, but the absolute necessity of showing to Colored people everywhere what each one is doing of a noteworthy character in his particular line, formed themselves into a corporate body.

In 1924, the Sesqui-Centennial, or the largest world's fair the world ever seen, is to be held in Philadelphia. Heretofore on such occasions, the Negro exhibition has been the last thought of by the promoters, and in consequence their exhibits have been incomplete and set off in some remote corner. In order to remedy this condition the Philadelphia Fair Association was formed with the purpose of holding an Autumn Fair Annually, so as to insure the most creditable Negro exhibition in the world's history at the great World's Fair in 1926. UNHEALTHY SPOTS IN OKLAHOMA CITY REMOVED.

(By A. N. P.)

Okmulgee, Okla., Sept. 22.—With unobscured speed, the easel-loving populace of the Delmar Park on Exchange avenue began Tuesday night to move, with the strong arm of the law and order of the city commissioner behind them to see that the time element was always present. Tent houses, board shacks, camp wagons and all the other makeshift contrivances that have made the spot an eye-sore for a number of years are disappearing under the order which says that any remaining residents of the district will be arrested Thursday night and fined.

Complaints were made concerning the conditions by the city health officers who claim that the 100 or more white persons who have made their home in the park are living in insanitary surroundings and urging the police department to take steps towards an immediate clean-up of the neighborhood.

The complaint was made to the city commissioner, Tuesday afternoon and as a result Chief Carl Gitchee, instructed the police department to insist upon the vacation of the property by Thursday afternoon 6 o'clock under penalty of arrest.

PRESIDENT PREFERS REGULAR DINNERS TO GOLD SERVICE.

(By A. N. P.)

Atlantic City, N. J., Sept. 22.—"Take those away and bring regular dishes," thus President Harding acknowledged the compliment intended by the Ritz hotel in setting his dinner table Sunday with solid gold service, a prized possession of the hotel.

The president permitted himself a faint smile of amusement at the service when he sat down but then he frowned and asked for "Regular dishes."

The Ritz had never used the set before, having saved it ever since its purchase for some distinguished guest.

If you feel sluggish today—all out

of sorts, get you a package of St. Joseph's Liver Regulator, a vegetable powder. Put two teaspoonsful in a

teacup. Add two-thirds of a cup of boiling water. Let it steep for a few minutes and then strain. Sweeten or add a little lemon juice.

Drink half of the tea-brew at bedtime—if necessary, the remainder the next morning. My! How fine you'll feel.

St. Joseph's Liver Regulator will not nauseate or gripe. The standard for over forty years. Large yellow cans 25c—will last a long time. Just you try it. Sample on request. Dept. 121, Gerstle Medicine Co., Memphis, Tenn.
